Prayers for the Sick: If your name or the name of a friend or relative of yours
is on the parish list of prayers for those who are sick, and you would like that
name to remain on the list, would you please contact Fr Mark.

We need to make sure that you or your friend or family member has consented
to their name being on that list. This is because the list can be seen by a lot of
people, as it is put up on the noticeboard at the back of church, it is available
for anyone to pick up in church and is also published on the internet through the
parish website. In a couple of weeks' time, the list will be restarted with the
names of all for whom the parish has consent. This is necessary to make sure the
church takes proper care of your information and complies with current data
protection law. Thank you.
